The Demand Deposit Marketplace® (DDM®) program is administered by Stable Custody Group II LLC, a Delaware limited liability company ("Stable"). Stable provides administrative and/or recordkeeping services to banks, credit unions, trust companies and other financial institutions that wish to participate in the DDM program ("DDM Participating Institutions"). Stable's services are provided subject to the terms and conditions of its written agreements entered into between Stable and the DDM Participating Institution, and no representations or warranties, express or implied, are provided by Stable or any of its affiliates, except as expressly set forth in those written agreements.

This Participating Institution List sets forth a list of the banks and savings associations with which Stable has a business relationship for the placement of deposits under the DDM program and into which a DDM Participating Institution may place deposits (subject to the terms of the DDM program and any opt-outs by the DDM Participating Institution and/or their customers). Stable is not a depository, bank or credit union and **the DDM program is NOT, itself, an FDIC-insured or NCUSIF-insured product**. Rather, under the DDM program, a DDM Participating Institution can sweep or place its (and/or its customers') funds into deposit accounts at other DDM Participating Institutions that are insured by the Federal Deposit Insurance Corporation ("FDIC") and/or National Credit Union Share Insurance Fund ("NCUSIF"), for up to the current standard maximum deposit insurance amount ("SMDIA") of \$250,000 per eligible depositor, per DDM Participating Institution, for each ownership capacity or category, including any other balances the depositor may hold at that DDM Participating Institution directly or indirectly through other intermediaries, including broker-dealers. If a depositor holds any funds at a DDM Participating Institution outside the DDM program, when combined with their deposits held at that DDM Participating Institution through the DDM program, the total amount of deposits of that depositor at that DDM Participating Institution could exceed the SMDIA for an ownership capacity or category, and those excess funds will not be FDIC insured. Under the DDM program, a DDM Participating Institution (or its customer) can opt-out of sweeping or placing funds into a particular institution. FDIC and NCUSIF insurance coverage is **only** available to protect a depositor against the failure of a participating FDIC or NCUSIF insured institution, respectively, that holds the depositor's funds (and not to protect against the failure of any other party, including Stable). The services Stable provides with respect to the DDM program are primarily designed to provide administrative convenience for DDM Participating Institutions to offer expanded FDIC or NCUSIF insurance on customer funds, and are not designed to provide customers with investment enhancements, higher rates of returns or profits on their funds.

A DDM Participating Institutions' customer should contact their DDM Participating Institution to receive the list of banks and institutions into which the customers' funds may be placed pursuant to the particular program offered to them by their DDM Participating Institution. Such customers should regularly review their DDM Participating Institution's list of banks and institutions and immediately notify their participating DDM Participating Institution if they do not want to allocate funds to any particular bank or institution. Access to FDIC or NCUSIF insurance on a customer's deposits through the DDM program is generally based on the number of DDM Participating Institutions participating in the particular DDM program offered by their DDM Participating Institution. If the customer excludes banks or institutions from receiving their funds, the level of FDIC or NCUSIF insurance coverage available under the program offered by their DDM Participating Institution may decrease to a new maximum lower amount, in which case, the customer should contact their DDM Participating Institution to confirm that new maximum lower amount. Before a customer deposits any money into a sweep or other program offered to them by their DDM Participating Institution, the customer should carefully read their DDM Participating Institution's Demand Deposit Marketplace® Terms and Conditions for important customer disclosures, terms, risks, limitations and information relating thereto. If a DDM Participating Institution (or its customer) is subject to any restrictions or requirements on the placement or deposit of its funds, that depositor is solely responsible for determining whether its use of the DDM program satisfies those restrictions and requirements.
