

**Demand Deposit Marketplace® (DDM®) Program for Bank-Affiliated & Independent Trust Companies**

# Deposit Placement & Funding Solutions.

A Flexible, Cash Management Solution to Provide Your Customers with Access to Expanded FDIC or NCUA Insurance Coverage

The Demand Deposit Marketplace® (DDM®) program offers trust officers and fiduciary advisors a cash sweep alternative that provides access to expanded FDIC or NCUA insurance coverage on their customer funds, same day liquidity<sup>1</sup> without the risk of NAV volatility or redemption gates or fee, and rates that are competitive with other cash alternatives, such as money market funds.<sup>2</sup>

The DDM program has outperformed an index of eight commonly used institutional government MMF over 1, 3 and 5 year time periods.\*

\* R&T MMF Index: TSTXX, DGCXX, GOFXX, GOTXX, TOIXX, FRGXX, FGTXX, NITXX. All performance data net of fees as of 12/31/24. The R&T/ MMF Index represents 8 commonly used MMFs, sourced from the monthly Crane Money Fund Intelligence Report.

<sup>1</sup> Under the DDM program, funds are deposited into demand deposit accounts (DDAs) or money market deposit accounts (MMDAs) at receiving banks or share draft accounts or share accounts at receiving credit unions. While your customers' funds are held in MMDAs or share accounts, the return of your customers' funds from the DDM program may be delayed as, under federal regulations, the receiving institution is permitted to impose a delay of up to seven days on any withdrawal request from an MMDA or share account.

<sup>2</sup> While interest rates obtained on funds placed at receiving institutions under the DDM program may, under certain circumstances, outperform cash alternatives, such as money market funds, the primary objective of the DDM program is to provide customers with convenient access to expanded FDIC or NCUA insurance coverage on their funds (and not for investment enhancements or higher rates of returns or profits).

## How It Works

Cash balances from your customers' accounts are sent daily into the DDM program. The DDM program then allocates those balances to deposit accounts at FDIC or NCUA insured institutions in increments below \$250K per eligible depositor (e.g., based on TIN) so that your customers' balances can receive access to FDIC or NCUA insurance coverage up to the relevant program limit.

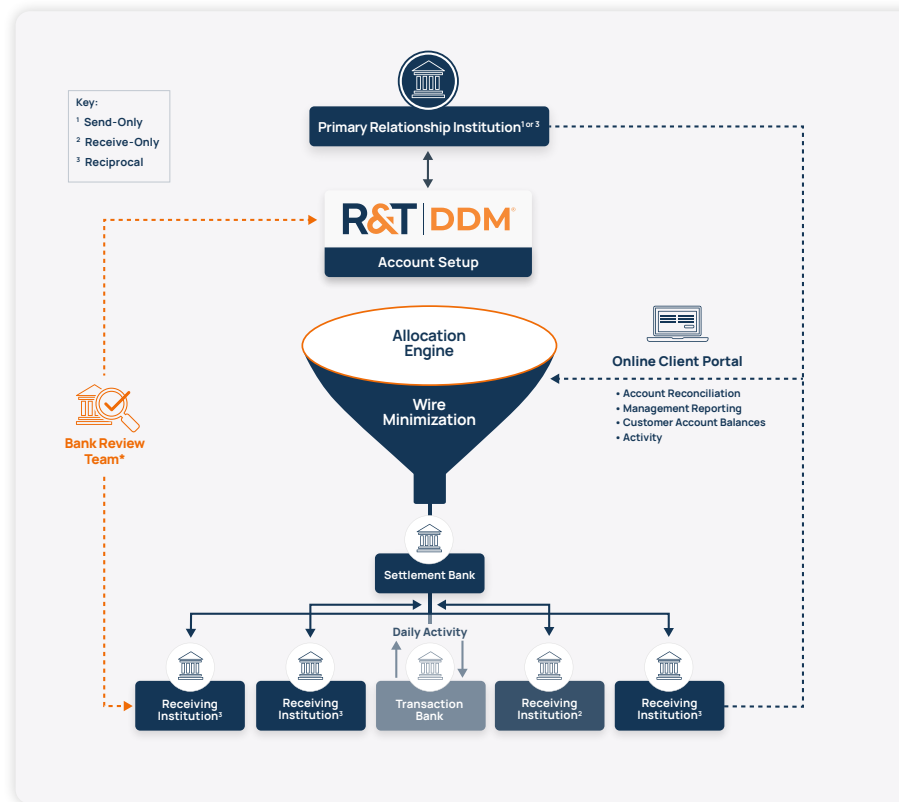

## Participating institutions with affiliated trust departments can benefit by adding another source of funding.

\*R&T has an internal Bank Review Team for verifying initial and ongoing capitalization of the Receiving Institutions. R&T does not provide bank monitoring services or advice to Participating Institutions.

### NOTES:

The DDM program allocates customers' funds to as many receiving institutions as necessary to provide access to deposit insurance coverage from the FDIC or NCUA up to the program limit.

\***Receiving Institutions** are the insured depository institutions that can receive your customers' funds under the DDM program. R&T offers the ability to place your customers' funds at (i) receiving banks only or (ii) receiving banks and/or eligible credit unions. Currently, under the DDM program, only credit unions that are designated as "low income credit unions" ("LICUs") can receive funds from sending institutions.

R&T Deposit Solutions provides banks, broker-dealers, trust companies, and other financial institutions with flexible cash sweep and deposit funding solutions designed to protect their customers' funds and grow their business.
